Introduction

Kids, this book's really for you. Do I make fun of the teenage dilemma? *Sure!* Do I exaggerate your flaws? *Sure!* Do I poke fun at your weaknesses? *Sure!* But if you can't laugh at yourself ...

So, just kick back and have a super time with these monologs. Remember, if you need to add or subtract stuff ... change a name, place, or circumstance, add a few new slang words (G-rated, of course) ... *Go for it!* After all, I can't do everything!
